Enclosed is a copy of NBS Report NBSIR 73-249, Development of Specifications for Archival Materials, Semi-Annual Report, January 1 - June 30, 1973.

This report is dated July 30, and represents the date NBS hoped it would be issued. NBS has tightened up its review procedures, thus the report is later than former reports in reaching NARS.

Sincerely,

*James L. Gear*
